GENERAL

It is the policy of NDCS to facilitate oral and written interpretation and translation services to inmates, inmate families and the community. Such services shall be provided and/or coordinated by Interpretation and Translation Services. Each institution, consistent with its function and the nature of its inmate population and programs, shall develop its own version of this Policy within the limits and guidelines that follow.

PROCEDURE

I. STAFF AVAILABILITY

A. The NDCS interpreter and translation staff are assigned by geographic areas. The number of staff positions and their current locations are based on NDCS needs.

   2. Interpreters are located at:
      
      a. Nebraska State Penitentiary

      c. Omaha Correctional Center

B. Each interpreter will be available to travel to each NDCS institution/program as needed. Such requests should be coordinated through the Interpreter Supervisor. Interpretation/translation services may also be handled by telephone, teleconference or video-conference.

C. Services available from the interpreters are:
   
   1. Interpretation.
      
      a. Verbal interpretation from Spanish to English or from English to Spanish.

II. GENERAL PROTOCOL

A. All Inmate Interview Request forms not written in English will be routed directly to the on-site interpreter by the person to whom it is addressed. Facilities that do not have an on-site interpreter should notify the Interpreter Supervisor. The interpreter will in turn translate and route the inmate request to the appropriate employee/department (i.e. Health Services, Custody, etc.) to avoid any delays.

B. When interpreters are required, the requesting employee will provide the following information to the interpreter: inmate name, institutional number, time needed, appointment time and a brief description of the interpretation need.

C. Staff will verbalize one sentence or phrase at a time, speaking slowly and clearly, unless otherwise specified by the interpreter. Only one person is to speak at a time. The location and noise level should allow the interpreter to complete his/her duties.

D. The interpreter will advise all parties involved (inmate and employee) that it is his/her duty and responsibility to interpret everything said and instruct the parties to direct questions, comments, etc. to each other and not directly to the interpreter.

III. INTERPRETATION / TRANSLATION NEEDS
