PURPOSE

Regulations governing inmate visiting are necessary in order to attain the Nebraska Department of Correctional Services' (NDCS) objectives to increase opportunities for inmate self-development and to maintain a safe, secure and humane environment for inmates, team members and the public.

POLICY

It is the policy of the Nebraska Correctional Center for Women (NCCW) to allow inmates visiting privileges and retain such privileges as long as the inmate does not violate the rules and regulations governing visiting.

The NCCW Visiting Regulations shall be made available to visitors, NCCW team members, and inmates so interested parties may be informed of the details of this program. Copies of the Visiting Procedure may be obtained from the Pass Clerk's desk or from the NDCS website www.corrections.ne.gov.

The content of this Procedure is intended primarily as a procedural guideline for team members to follow in implementing the NCCW's visiting regulations and informing visitors and inmates of these procedures. Further detailed information is also noted in Policy 205.02, *Visiting*, and is recommended for NCCW team members, inmates and visitors to review. Nothing in these regulations should in any way be interpreted or construed to mean that visiting is an automatic "right" or that regulations governing the visiting process create any rights or benefits for inmates, which are not explicitly stated in Section § 83-186 of the Nebraska State Statutes. In compliance with the content of that statute, the Warden retains full authority to permit or deny visits by members of the public.

APPLICABILITY

The NCCW will follow all instructions set forth in Policy 205.02, *Visiting*. The following information is specific to the NCCW. This Procedure is applicable to all divisions, departments and offices.

DEFINITIONS

Reasonable Suspicion – Objective, articulable fact(s) which would reasonably lead an experienced correctional employee to conclude that a particular visitor or individual is concealing something on his/her body for the purpose of transporting or attempting to transport such material (contraband) into the institution.

Immediate Family - spouse, parent, step-parent, person acting in the place of parent as documented in the facility file, sibling, step-brother, step-sister, half-brother, half-sister, child, step-child, grandparent, and grandchild.

PROCEDURES

I. WHO MAY VISIT

An NCCW inmate may have visits from anyone they choose subject to the approval of the Warden/designee. In making their determination, the Warden shall consider the effect the presence of such visitors shall have on the NCCW, its team members, and/or the inmates confined within, and the probable effect such presence shall have upon the rehabilitative progress of the inmate to be visited. Actual administration of the visiting approval process is delegated to the Assistant Warden/designee.

II. ADDITIONAL VISITING REGULATIONS

A. Visitation Applications

No visitors will be permitted to visit prior to submittal of the authorized visiting forms and approval by the Warden/designee. False or incomplete information on this form will result in a denial of visiting privileges.

III. VISITATION APPROVAL PROCESS

A. It is the responsibility of each inmate to initiate the visiting process. Inmates may obtain a Visitation Request Form (VRF) from a unit team member and mail them to those persons they desire to have placed on their approved visiting lists. Any VRF that is not returned directly to the office at the below address, is incomplete or is sent to the inmate will not be processed. Each prospective visitor must complete a VRF and return it to the following address for processing:

Pass Clerk
 Nebraska Correctional Center for Women
 1107 Recharge Rd
 York, NE 68467

B. The envelopes in which all VRFs are received by this institution shall be date-stamped by the Mailroom team members after which they are forwarded to the Pass Clerk. The Pass Clerk will ensure the VRF is filled out correctly and completely. The Pass Clerk will run a computer check to ensure the visitor is not on another inmate's visiting list. The Pass Clerk will approve or deny the VRF. The Pass Clerk will then enter the VRF information into NiCAMs. This information is then forwarded to the Nebraska State Penitentiary to complete the NCIC criminal background check. Once this is complete, the completed criminal history check (whether a record was indicated or not) will be stapled to its respective original application and forwarded to the Assistant Warden/designee for final processing and approval or denial.

C. If the form is incomplete, the Pass Clerk will send a memo to the inmate instructing them to inform the visitor to complete a new VRF with the needed information and return it to the Pass Clerk.

D. The Assistant Warden/designee will make the appropriate notation at the bottom of the form, initial it and send it to the Pass Clerk. The denied forms will be sent to Records to be filed in the inmate's master file.

1. The Pass Clerk will input all the necessary information into the computer system. The Pass Clerk will destroy all criminal history information.

2. The VRF will be separated and signed by the Pass Clerk, who will forward the bottom section to the inmate (which is the inmate's official notification of a particular visitor's status) and the top section to Records to be filed in the inmate's institutional record.

E. All visitors must have their VRF approved/ disapproved by the Assistant Warden/designee.

F. Whenever an inmate receives a VRF notification slip from the Pass Clerk indicating a particular visitor has been either approved or disapproved to visit them, it shall be the responsibility of the inmate to notify that person of that particular approval or disapproval decision.

G. Any individual who has not been approved to visit may appeal that decision directly to the Warden/designee in writing.

H. Any inmate may grieve the VRF decision through the grievance procedure.

I. The Warden/designee must approve all VRF's submitted by the victim of an offense committed by the respective inmate.

IV. SPECIAL, EMERGENCY AND EXTENDED VISIT PROCEDURES

A. Whenever an inmate knows at least one working day (Monday through Friday excluding holidays) in advance that they are expecting a visitor who would fall under Special, Emergency, and Extended Visits Guidelines, they must request visiting consideration by submitting a Special/Extended/Emergency Visit Form (Attachment #1) to their Case Manager. The Case Manager will verify the information noted on the form and then forward it to the Warden who will make the final approval/disapproval decision. If approved, this form will be forwarded to the Pass Clerk where they will keep it on file until the requested visit day arrives. If the visitor does not arrive on the expected day, the Pass Clerk will note it on the form. The Pass Clerk will sign their name to the form, date it, and distribute as noted on the form. A special visit may be extended with the permission of the Unit Administrator.

B. If a visitor arrives at the NCCW who was not expected by the inmate but who is otherwise eligible for special visits, the applicable Warden/designee or a higher authority will make the decision as to whether or not to allow that person to visit.

C. Visits for inmates housed in the SNF beds at NCCW or on a plan A or B status will be reviewed by the Administration and handled on a case-by-case basis.

V. RESTRICTIVE HOUSING (ACA 5-ACI-4B-21)

- A. Inmates assigned to restrictive housing will be required to visit in full restraints.
- B. Longer Term Restrictive Housing (LTRH) and Immediate Segregation (IS) Status
 - 1. Inmates on IS classified to LTRH will be permitted to have contact visiting privileges consistent with custody and security considerations. Visits shall be conducted in the Visiting Room at the designated times. Restrictive housing inmates may be denied visits for reasons of security or good order of the facility.
 - 2. Following placement on IS status and upon admission to Restrictive Housing, inmates may submit an Inmate Interview Request form to a staff member on duty, providing the name and telephone number of one person (who must be on the inmate's approved visiting list) to be notified concerning that inmate's status and living location change. The staff member will also inform the named visitor of the change in visiting days and hours.
 - 3. In the event the Caseworker is unable to establish contact with the inmate's requested visitor, such will be documented on the Inmate Interview Request. When contact cannot be established initially, the inmate may provide the staff member another name and phone number of a visitor on their approved list for a second attempt at notification. All initiated telephone contacts (to include both successful and unsuccessful attempts) will be documented on the Inmate Interview Request form retained in the respective inmate folder in the Inmate Management File.

VI. CLERGY, ATTORNEYS AND PUBLIC OFFICIAL VISITS

- A. Attorney and Public Official Visits
 - 1. Attorneys and public officials may visit inmates at the NCCW at any time provided they do not interfere with counts, security measures, or emergencies, and that they occur during reasonable hours. Reasonable hours are defined as between 0800 and 1600 hours, Monday through Friday. This policy does not apply to public officials who by Statute (Section 83-186) are authorized to enter the institution at any time.
 - 2. Attorneys and public officials may visit without placement on an inmate's visiting list. Attorneys entering a facility on official business will be required to show a current photo ID along with a valid Bar Card. Attorneys will not be subject to a search of their person; however the attorney's belongings will be searched and they must pass through the metal detector. Team members will not read any legal materials during the search of the attorney's belongings.
 - 3. Attorneys are authorized to bring in a digital camera and laptop or tablet that does not have cellular capability. Attorneys will present these items for inspection, and a notation will be made in the log in the Control Center.

No person acting in the capacity of a paralegal will be admitted into the institution without a letter of endorsement from their Attorney. Paralegals are required to submit a NCIC and must be approved prior to entry.

B. Clergy Visits

1. Inmates desiring approval of Clergy for visitation will request it to the Religious Coordinator on an Inmate Interview Request. The Religious Coordinator will mail a Clergy Visitation Request Form (C-VRF) to the requested Clergy along with a copy of the NDCS Information for Clergy and Lay Religious Visitors. Clergy members must visit on regular visiting days and hours only.
2. Clergy will return the completed C-VRF to the Religious Coordinator with a photocopy of their current clergy credentials. The Religious Coordinator will ensure no Clergy are approved for visitation without proper credentials/endorsement from their faith judicatory.
3. If the Religious Coordinator approves a C-VRF, the approved C-VRF will be sent to the Assistant Warden for final approval. The Religious Coordinator will make notation of the clergy's addition to the inmate's Visiting Record, notify the requesting inmate in writing, and provide a copy of the completed C-VRF to the Records Office for placement in the inmate's file.
4. Disapproval of a C-VRF will be done by the Religious Coordinator only after consulting with the Assistant Warden. The above steps will be followed after the decision to disapprove has been made, except addition of the clergy to the inmate's Visiting Record.
5. The Religious Coordinator will update the database of all approved clergy. The Pass Clerk will verify the visitor's clergy status in NiCAMS.
6. Clergy will be added to the visiting list of a particular inmate only by the request of that inmate.
7. Clergy may visit up to four inmates at the same time. Restrictive housing inmates are excluded without prior approval from the Assistant Warden/designee.
8. If a member of the clergy arrives at NCCW during other than "reasonable hours" and claims a need for a visit with an inmate due to an emergency, (e.g., death, injury or serious illness of an immediate family member), the clergy will relay complete background information to the Shift Supervisor through the Central Control team member by telephone. The Shift Supervisor will verify the emergency information as received. Upon verification and approval, reasonable efforts will be made to escort the inmate to the administration building for the requested visit.
9. When processing a Clergy member into the institution, Pass Clerks and Front Entrance team members should check the person requesting to visit against the Clergy/Volunteer Database.

Grape juice, in small quantity and contained in a factory sealed container, may be used. Only enough bread for those taking communion will be allowed into the institution. - C. Attorney-Client rooms located in the visiting area will be utilized for meetings with attorneys and/or clergy. If all of those rooms are in use, the following options are available:
1. If all designated spaces are occupied, the visitor will be asked if they would like to visit in the general population visiting room.
 2. If that option is not acceptable, they will be asked to wait until one of the earlier mentioned spaces becomes available.

- G. Visitors may be subjected to canine searches of their person and property. These will be utilized to augment searches at entrance/exit points of NCCW. Visitors will be asked to sit in a chair in the appropriate search room. The canine unit will be brought into the room. The visitor will sit still with their hands on their knees while the corporal directs the canine during the search.
1. Any refusal by a visitor or a visitor's minor to a canine search will result in their denial to visit that day and/or suspension of visiting privileges.
- H. Each visitor also will be required to pass through the metal detector. In the event the metal detector alarm is activated, the person will be required to remove all items from their pocket and walk through again. The only exception is if the visitor has a pacemaker.
