This Procedure is to be made available in the inmate library.

Inmates aggrieved by such action may appeal through the grievance procedure.

III. ADDITIONAL VISITING REGULATIONS

A. Visitation Applications

**No** visitors will be permitted to visit prior to submittal of the authorized visiting forms and approval by the Warden/designee. False or incomplete information on this form may result in a denial of visiting privileges.

1. It is the responsibility of each inmate to initiate the visiting process. Inmates may obtain a Visitation Request Form (VRF) (Attachment 3) from the Work Station, Caseworker, Case Manager or Visiting Corporal and mail them to those individuals they desire to have placed on their approved Visiting Lists. Each prospective visitor must complete the VRF and mail it back to the WEC for processing. Prospective visitors will not pick up/drop off Visitation Request Forms from/to the WEC. The Unit Manager is designated to approve or deny VRF’s.

2. All VRF’s received at WEC will be date-stamped by staff. The VRF’s will be forwarded to a Visiting Corporal for processing. The visitor’s name will then be cross-referenced with NDCS Visitor Rosters to ensure the visitor is not on any other inmate’s Visiting List, (exception, See B.1.d. below).

3. The Visiting Corporal will forward all VRF’s to the Unit Manager noting recommended approval/denial based on the information gathered in the checks.

   a. If approved, the Unit Manager will sign off and return the VRF to Visiting Corporal. The bottom portion of the VRF will be completed and forwarded to the appropriate inmate, which is his official notification of the status of a particular visitor’s application. The Visiting Corporal will add approved visitors to an inmate’s visiting list.

   b. If denied, the Visiting Corporal will make appropriate notation on the bottom of the VRF form stating reasons for denial and return the bottom portion of the VRF form to the identified inmate, such information will be added to the inmate’s visiting list.

4. Whenever an inmate receives a VRF notification slip from Visiting Corporal indicating that a particular visitor has been approved/denied to visit him, it is the responsibility of the inmate to notify that person that he has been approved/denied to visit.

B. Limitations

1. Number/Space

   Generally, WEC Policy and Procedure concerning the number of visitors per inmate, the length of visits, and the days designated for visitation are determined by the WEC’s visiting area
capacity, and the nature of WEC.

There is not a limit to the number of visitors an inmate may have on his/her authorized Visiting List, however, all visitors must be approved by the WEC staff prior to visiting.

Specific visiting policies limiting visitation are as follows:

a. No more than four adults may visit an inmate during any one visiting period. There may be a reasonable number of approved minors present as long as they are supervised. The Work Ethic Camp reserves the right to impose reasonable restrictions on the number of visitors who may visit at one time to prevent overcrowding in the visiting room or to eliminate difficulties in the supervision of visits.

b. Visitors who leave the WEC will not be permitted to resume their visiting privilege for that session.

c. Visiting days and times at the WEC are:
   
   - Saturday—0800 to 1045 and 1300 to 1600 for inmate’s last names that begin with A–M
   - Sunday—0800 to 1045 and 1300 to 1600 for inmate’s last names that begin with N–Z

   There is one visiting day per week for all inmates. Approved visitors may visit during both sessions on that assigned day.

d. Any visitor who is an “immediate” family member of one or more inmates housed at the WEC and who is otherwise approved for visiting may be placed on each respective “immediate” family member inmates visiting lists. In addition, that visitor also may be placed on the visiting list of one other non-immediate family member’s list, i.e. as long as that visitor is not the spouse of one of those immediate family members. The following examples demonstrate how this policy works:

   1. A mother may be placed on her two sons’ visiting lists and on one other non-immediate family member’s visiting list.

   OR

   2. A sister may be placed on her father’s and brother’s visiting lists and on one other non-immediate family members’ visiting list.

   OR

   3. A brother may be placed on his three other brothers’ visiting lists and on one other non-immediate family members’ visiting list.

   OR

   4. A spouse may be placed on her husband’s and father’s and a brother’s visiting
list and on one other non-immediate family members' visiting list.

OR

(5) When a visitor is approved on two or more inmate's visiting lists (i.e. two or more immediate family members and/or one non-immediate family member) that they will not be allowed to visit the inmates together unless they are immediate family and written approval has been obtained from the Assistant Warden prior to the visit. Inmates who are not related (immediate family) cannot visit together. If such approval is granted, this information will be forwarded to the Pass Clerk who will enter the information into the Visitor Database.

e. For the purpose of visiting, immediate family shall be defined as: spouse, parent, step-parent, person acting in place of parent (as documented in the Master Record), sibling, stepbrother, stepsister, half-brother, half-sister, child, step-child, grandparent, and grandchild.

2. Age Requirements

a. Persons 19 years of age and above:
   1). Must complete and submit an individual Visitation Request Form (VRF) to the Warden/designee,
   2). May visit without parent or guardian.

b. Persons 18 and under:
   1). Must complete and submit an individual VRF to Warden/designee;
   2). Must be accompanied on the visit by parent, legal guardian, or court appointed agent or other authorized adult (age 19 or above);
   3). Must submit notarized permission letter from parent, guardian, or court appointed agent to visit in company with another authorized adult;
   4). Parent, legal guardian, court appointed agent, or another authorized adult who accompanies said minor must also be on the inmate's approved Visiting List.
   5). Minors age 18 and under must have a birth certificate to present to the Visiting Staff during their first visit.
   6). All minors age 16 and older must also present a picture ID to the Visiting Staff on all visits.

Minors who are married do not need parental or legal guardian consent to visit their spouses, but must be approved visitors via the VRF process. They also will be required to present a copy of their Marriage License along with the VRF.
3. Criminal Records

Persons with criminal records are not automatically excluded from visiting. In determining whether or not to approve a person with a criminal record, the nature and extent of that person’s total criminal record, plus his/her history of recent criminal activity is weighed carefully against the benefits of visitation. The Warden/designee shall retain final authority to review, assess and approve/disapprove applications to visit. Appeals of denials to visit must be submitted in writing to the Warden.

NOTE: Failure to list previous criminal convictions on the VRF can result in denial of visiting privileges.

a. Generally, parolees, probationers, or persons having pending charges will not be granted permission to visit during service of sentence or disposition of charge and ex-felons will not be granted permission to visit for three years after expiration of sentence, except for immediate family who may be considered at the end of one year. Ex-misdemeanants will not be granted permission to visit for six months after expiration of sentence. Immediate family may be considered after three months.

b. Exception may be made for a spouse/immediate family member who may be allowed to visit once a month by special approval from the Warden/designee. It will be the responsibility of the spouse/immediate family member seeking visiting privileges while on probation/parole to provide, with the VRF, a letter from the supervising probation/parole officer recommending either approval or denial of visiting privileges.

c. The Warden/designee must approve all VRF’s submitted by the victim of a violent offense, when that offense is committed by the inmate being visited, if such information is known to WEC staff.

d. Immediate family members having pending misdemeanor/felony charges may be considered for monthly special visits pending resolution of the charges.

e. An NCIC (National Crime Information Center) computer check to verify visitor identity and to ensure the accuracy of VRF information will be done on all visit applicants submitting a VRF (both adults and minors).

f. Following the release of an inmate on parole or an inmate to ISP, or when an inmate is placed on “walk away” status or bond, the Records Officer will stamp all current visitor application forms in the classification file “deleted”. These records will also be deleted in any computer files.

4. Employees/Prior Employees

a. Generally, prior employees will not be granted permission to visit except with immediate family members. All Visiting Request Forms received from prior employees must be submitted to the Warden for review. The Warden may deny the visitation request based on safety/security concerns specific to the individual requesting to visit.
If the Warden is requesting to visit, a recommended disposition shall be submitted to the Director/designee for final approval. The Director/designee may deny the visitation request based on safety/security concerns specific to the individual requesting to visit.

b. For instances where the prior employee is attempting to visit an inmate who is not an immediate family member the following will be considered:

1). The nature of the prior employees relationship to the inmate.

2). The length of time the visitor has known the inmate.

3). Circumstances or reasons for employment separation including eligibility for re-hire, intelligence reports, investigations, and violations of work rules during employment.

4). Any investigation or intelligence information received after employment separation.

c. Generally, NDCS employees will not be approved to visit. Employees must make a written request to the Warden of the facility where the inmate is incarcerated to be considered as well as the Warden of the facility the employee is assigned to.

IV. TYPES OF SPECIAL VISITS

All visitors must be authorized by the Warden/designee. (See Attachment 4 Special/Extended/Emergency Visit Request form)

A. Special Visits

A special visit may be requested by an inmate at WEC for professional not on the inmate’s approved visiting list, to include prospective employers, attorneys, members of the clergy, and social service representatives. Special visits must not interfere with counts, security measures or emergencies and must take place during regular business hours of normal visiting hours. All special visit requests are subject to the approval of the Warden; denials shall be based on safety/security concerns specific to the individual requesting to visit.

Special visits are not permitted for family/friends of inmates in advance of or in lieu of obtaining approval to visit through the established Visiting Request Form process. Family/Friends of the inmate must be on the inmate’s approved visiting list before they are permitted to visit.

B. Extended Visits

An extended visit may be requested by an inmate at WEC for individuals on the inmate’s approved visiting list who visits infrequently (less than one visit per month) because of long distance (more than 200 miles from the facility). Special visits must not interfere with counts, security measures or emergencies and must take place during regular business hours or normal visiting hours. Extended visits and visiting hours are subject to the approval of the WEC Warden; denials shall be based on safety/security concerns specific to the individual extended visit request.
C. Emergency Visits

An emergency visit may be considered for instances of a verifiable death or critical illness to a WEC inmate’s immediate family and may include a visit during non-visiting hours and/or extended visits during regular visiting hours. Emergency visits are subject to the approval of the WEC warden; denials shall be based on safety/security concerns specific to the individual emergency visit request.

In cases of a verifiable death of critical illness to an inmate’s immediate family the inmate shall be notified as soon as possible. (Attachment 5)

D. Inmates who Have Committed Crimes in which Victim(s) were Minor Aged Children (under 19 Years of Age)

1. The file of each inmate shall be reviewed to determine if any record exists meeting the above criteria. Newly committed inmate files shall be reviewed by WEC staff. If such a record exists, the person reviewing the record will list the information on the NDCS Inmate Summary of Crimes Against Minors form (Attachment 6).

2. Once the inmate has been identified, the SQL database for “prior contact with minor” will be updated. The entry will automatically update the SQL classification study and the visitor’s list databases. In addition, the Records Office will have a red-inked stamp titled “contact with minor” and will stamp the front cover of the inmate’s file.

3. The WEC Warden shall have the authority to impose visiting restrictions on identified inmates on a case-by-case basis. The Warden will indicate restrictions on the NDCS Crimes Against Minor-Aged Children form (Attachment 7). Designated staff will ensure the inmate signs and receives a copy of the form. If the no physical contact with minor age children restriction is imposed, additional actions may include restricting these inmates to visiting children/youth at designated times and/or designated authorizes areas, excluding visitors under the age of 19 from the inmate’s approved visiting list, and or suspension of all visiting privileges until the inmate has received treatment intervention. The visits shall be closely monitored by visiting room staff. Any violation of this policy will result in immediate termination of the visit, removal of the inmate and the visitor from the visiting area, and the issuance of a misconduct report. Penalties imposed against inmates will be consistent with agency disciplinary procedures. Actions imposed on visitors will be handled administratively by the Warden as referenced in the Visiting Restriction Guidelines. Factors considered in making the above determination may include, but are not limited to, the following considerations:

   a. Length of time since last child-related offense occurred.
   b. Seriousness of prior offense(s).
   c. Number of prior offense(s).
   d. Mental health status of minor child and/or inmate.
   e. Age of requested visitor and relationship to inmate.
f. Inmate history of violence.

4. Warden have the authority to modify or eliminate visiting restrictions imposed as provided in this section. Such modification or elimination shall be in consultation with appropriate mental health, program and custody staff.

E. Inmate to Inmate Visits

Inmate to inmate visits may occur when the following criteria are met:

1. One inmate must be on community custody status.
2. The visit request will be initiated by the community custody inmate.
3. The inmates must be immediate family as defined by current departmental guidelines (see III.B.1.e. above).
4. The visit must be approved by each Warden/designee.
5. The visit will generally occur during regular visiting hours.
6. The community custody inmate must produce his/her inmate I.D. prior to being allowed to visit at a secure facility.
7. The community custody inmate will be strip searched upon arrival and upon leaving the secure facility.
8. Visits may be approved once every three months.
9. If the facilities are in the same city, the visit may be done on pass; if the facilities are in different cities, the visit may be done on furlough.
10. If the visit occurs during furlough, it will be considered one of the inmate’s four hour daily approved itinerary activities.
11. An approved volunteer sponsor will provide transportation.
12. The approved volunteer sponsor may also participate in the visit if the sponsor is on the visiting list of the inmate to be visited.
13. If the approved volunteer sponsor is not on the visiting list, he/she will be required to stay at the facility during the visit.

F. Holidays

Inmates will be allowed visits on Thanksgiving Day, Christmas Day, and New Years Day, regardless of the days upon which the holiday falls. Holiday visiting hours will be 0800 – 1000 and 1400 – 1600. All
other holidays will be treated as any other day relative to whether or not visits are allowed. If these other holidays fall on regular visit days, then visits will be allowed; but if they are on non-visit days, no visits will be allowed.

V. VISITOR DELETIONS

Any inmate may request that one or more persons listed on his/her approved Visiting List be deleted from the List by completing a Visitor’s Deletion Request Form (Attachment 8). The deleted visitor(s) name(s) will not be placed on another inmate’s approved visiting list for six months.

The deleted visitor’s name(s) also will not be reinstated on an inmate’s visiting list for six months (if the visitor’s name was previously removed at that inmate’s direction). A visitor may request deletion by submitting the request in writing to the Warden. Such visitor-requested deletions require the visitor to wait six months before he/she may be placed on another inmate’s list. The six-month waiting period will also apply to clergy status visitors; however, the Warden may waive the six-month waiting period at the recommendation of the Religious Coordinator. In the event that the individual requesting deletion has not visited for a period of at least six months, the Warden may waive the six-month waiting period to be added to another inmate’s visiting list.

VI. PROCESSING VISITORS INTO THE FACILITY

A. The function of the Control Center Corporal is to control movement of authorized and special visitors in and out of the institution, preserve security and maintain records of visitor traffic. To ensure that the visiting process is conducted with these points in mind, the following basic rules and procedures shall be adhered to:

1. Each adult visitor will present at least one form of photo identification to the Control Center Corporal each time he/she enters the institution. (See Section II.F.1)

2. The Control Center Corporal will exercise good judgment in establishing that each visitor has provided sufficient identification. If ever there is a question concerning the identification, the Control Center Corporal will consult the Shift Supervisor who makes the decision as to whether to approve a visit.

3. Each time a visitor enters the institution, he/she is required to sign in on the visitor’s register. Each visitor will include the date, name of the inmate they wish to visit, their (visitor’s) name, vehicle license number, time in and time out for visits.

4. After registration of visitors, the Control Center Corporal will advise the inmate of the visit via the public announcement system.

5. In certain special circumstances, the Work Ethic Camp may consider granting one (1) visitor permission to visit two (2) or more inmates simultaneously (e.g., a mother may want to visit two sons during the same visiting period). Approval must be obtained prior to the visit. If such approval is granted, it will be communicated to Case Management staff who will indicate it on a special visit form or via memorandum.
VII. VISITOR RESPONSIBILITY, CONDUCT, AND BEHAVIOR

It is the responsibility of the visitor and the inmate to conduct themselves in a manner that will not bring discredit upon them or be disruptive to other visitors in the area.

A. Each visitor must verify his/her identity. Visitors must register upon entry into the institution and may be subject to a search of persons and belongings as specified by written procedure, to include canine searches, prior to entrance. It is the responsibility of the visitor and the inmate to conduct themselves in a manner that will not bring discredit upon them or be disruptive to other visitors in the area.

B. Attorneys entering a facility on official business will be required to show a current photo ID along with a valid Bar Card. Attorneys will not be subject to a search of their person; however the attorney’s belongings will be searched. Staff will not read any legal materials during the search of the attorney’s belongings. The attorney will be cleared with the hand held metal detector wand and be under escort while in the facility.

C. Attorneys are authorized to bring in the following items: digital camera, and laptop or tablet that does not have cellular capability. Attorneys will present these items for inspection, and a notation will be made in the log at Central Control.

D. WEC prohibits all persons from introducing an electronic communication device within WEC without prior authorization, or as specifically authorized by NDCS policy.

E. No person is permitted to provide an electronic communication device to an inmate of the WEC.

F. An electronic communication device is any device which, in its ordinary and intended use, transmits by electronic means writing, sounds, visual images, or data of any nature to another electronic communication device. An electronic communication device does not include any device provided to an inmate by the Department of Correctional Services.

I. The procedure for obtaining approval to introduce an electronic communication device within WEC is as follows:
1. A Cellular Device Institutional Use Request (attachment 9) must be completed and submitted to the NDCS Director. Only the Director or his/her designee can grant permission to introduce an electronic communication device within WEC.

2. If approved, human resources at Central Office will issue an institutional use card which will include the approved person’s photo, name, title, phone number, brand and model of the device. To be valid, the information on the card must be accurate.

3. Prior to proceeding past the first institutional check point, the card and authorized device will be presented for verification. The card will be retained at Central Control, providing inventory and tracking control.

4. Upon exiting the WEC, the device will be presented for verification, and the card returned to the individual.

5. If an electronic communication device is approved, individuals introducing such device are required to abide by all departmental and WEC restrictions regarding photography in NDCS facilities. The taking of photos/video must be approved, in advance, by the Warden or communications office.

If a child becomes disruptive during a visit and is not controlled by appropriate verbal direction from the supervising visitor or the inmate, the visit may be terminated.
L. Infant Feeding

Ideally, visitors will feed infants prior to entering the visiting area or use bottles. In the event a visitor needs to nurse an infant in the visiting area, staff must ensure she has a receiving blanket or cloth diaper so she will remain covered. Such visits should be conducted in order to provide her with as much privacy as possible without jeopardizing facility security. Such instances shall be treated professionally and discreetly. The Shift Supervisor/designee may move the visit to a table in the visiting area that gives more privacy to the visitor. Blankets, cloth, etc. will not be used as a lap cover or draped over tables, benches, or chairs.

M. Posted Rules/Staff Instructions

Visitors and inmates must obey WEC staff instructions and posted Rules and Regulations. Canine searches of visitors may take place. Visitors and inmates must accept joint responsibility for behaving in a mature, responsible manner which is respectful of the rights of other inmates and their visitors.

N. Physical Contact

3. It is the responsibility of the inmate to avoid any inappropriate or questionable behavior during visits.

4. Staff are authorized to immediately terminate a visit if hands are not visible or any inappropriate conduct or physical contact takes place.

O. Visit Area

1. Inmates not visiting will not loiter while visits are in progress, nor will visiting inmates socialize with non-visiting inmates while the visit is in progress.

2. After registration of visitors, the Reception Area Staff will inform other staff of the inmate’s visit.

3. The dates of all visits will be recorded in the Visitor Database. There will be no exceptions. This record will not be revealed to the public without the written consent of the inmate.

4. If a non-approved person arrives and requests permission to visit an inmate, he/she will be required to wait until the Shift Supervisor/designee has accomplished the following:

   a. Check inmate’s WEC file to ensure the person has not been previously disapproved. If he/she has been disapproved, the visit will be denied.

   b. If not previously disapproved, determine if the person’s situation coincides with the "special visit" requirements (Procedure IV.A. above). If the special visit requirements are not met, the visit will not be approved, and the person told to write the inmate to request initiation of a VRF.

The visitor will be required to follow all processing procedures as required of all other visitors. The Shift Supervisor should also check the WEC inmate’s Visitor by Name Roster and the WEC Visitors by Inmate Roster located in the Records Office to ensure the person(s) requesting to visit is not on another inmate’s Visiting List.

   d. Any questions about approval/disapproval of a non-approved person will be referred to the Security Administrator (during regular hours) or the Warden (after hours).

5. In certain special circumstances, the WEC Warden/designee may consider granting one visitor permission to visit two or more inmates simultaneously (e.g., a mother may want to visit two sons during the same visiting period). If such approval is granted, it will be communicated to the Reception Area staff, who will indicate it in the respective inmate’s Visiting Record.

6. At the conclusion of the visit, inmates and visitors share a responsibility for cleaning up the immediate area which was used for their visit.
VIII. VISITATION RESTRICTION/SUSPENSION

A. Visit Restriction

It is the policy of the NDCS and the WEC to encourage visits between members of the community and inmates as a means of promoting the rehabilitation process. However, inmates and visitors share a responsibility with the NDCS for proper conduct during the visiting process. Some actions which may result in either temporary or permanent visiting restrictions are: (see Attachment 10 for specific restriction time periods)

NDCS Visiting Restriction Guidelines. Based on the severity of the incident, the Warden has the discretion to suspend visitation on the first offense for all rules violated (attached exclusions may range from denial of visiting for the day, suspension of visiting for a specified period, or permanent removal from the approved visiting list). A violation that poses a significant risk to security or injury to another person can result in an immediate and permanent restriction. Permanent removal shall only occur with the written approval of the Warden. Visiting suspensions shall occur by stating the fact in a letter to the person and citing the reasons for it.
